Economic Development

IDAs (Individual Development Accounts) are matched savings accounts available to qualified individuals. For each \$1 saved, the state will match it with \$3 (up to \$4,500 match) to use to purchase a home, rehab a current home, expenses for school/job training, to start/expand a business or purchase a vehicle for work.

Head Start & Early Head Start

All-inclusive education program for low-income children birth – 5 years of age. We have center and home-based educational opportunities. Services include education, health, parent involvement activities and social services for the entire family.

Health Connection

Provides and encourages reproductive health care for both men and women. All services are confidential and voluntary. Community education is also available.

Health Insurance Navigator

Navigators are state certified to help you with the insurance enrollment process. They assist with the entire enrollment process from start to finish in state Medicaid programs or the Federal Marketplace.

Weatherization

Increases the energy efficiency and safety of homes through assessment and installation of energy-saving measures.

Energy Assistance

Provides assistance with winter heating costs as well as energy conservation education. Assistance may be available for water assistance as well.
