

Name Writing Artwork

Name writing is skill that children need going into kindergarten. Using the supplies and steps listed below help your child create a custom piece of name writing artwork. As your child works on this project point out the letters in the child's name. Ask them if they can identify the letters, if they know what sounds the letters can make, and can they think of other things that start with any of those letters.

Supplies

- Paper
- Glue
- Markers/paint
- Salt/sugar

Steps

- Have your child write their name on a piece of paper or you can help them write it
- Use glue to trace over name
- Sprinkle salt or sugar over the glue
- After it dries children can color over the salt/ sugar with markers or paint to create a custom piece of artwork.
