

Written instructions that support the child's Head Start/Early Head Start experience and curriculum should be listed below or attached to this sheet.

Teacher's Written Instructions:

With your new ABC blocks help your child sort by color. Have your child practice saying the color of each block and putting it in a pile with other matching colors. Once the blocks are all in piles you can practice counting each pile. See if any of the piles have 10 blocks!

Obj. 11a, Obj. 13, Obj. 20a.
